

ADIL FAISAL

A – Level Student | AI & Software Development | Data Analysis
Lahore, Pakistan | +92 316 8041184 | adilfaisal.24278@gmail.com

PROFILE

Student leader with a growing curiosity for AI, software development, and physics. Head of STEM at Lahore Grammar School; previously led the TECH and Astro-Physics societies. Eager learner building foundational skills in programming, web development, and data analysis through internships and independent projects, now looking for an internship to learn and grow further.

EXPERIENCE

- Junior Data Analyst Intern, Clumina** | Remote Nov 2025 – Jan 2026
- Learned the basics of data analysis by working alongside the team on real datasets, gaining early exposure to the field.
- IT & Operations Intern, Precision Mates** | Lahore Jun 2024 – Aug 2024
- Assisted the IT team with day-to-day tasks and learned the fundamentals of IT infrastructure and systems support.
- Attendant, Goethe-Institut e.V.** | Germany Aug 2022 – Sep 2022
- Attended a German-language immersion environment, building cross-cultural communication skills.

PROJECTS & LEADERSHIP

- President, TECH Society:** Led workshops and coding initiatives, managing a team of student members. *(Python, Leadership)*
- VP, Astro-Physics Society:** Co-organized physics workshops and STEM outreach events. *(Leadership, Physics)*
- Founder, Mukammal Sehat (NGO):** Ran a health-focused NGO through awareness campaigns and community drives. *(Fundraising, Communication)*
- Portfolio & SCIENJECT 5.0 Websites:** Built a personal portfolio site and the event website for LGS's SCIENJECT 5.0. *(Web Dev, JavaScript)*
- Python Calculator:** Built a simple daily-use calculator application. *(Python, Problem Solving)*

EDUCATION

- Lahore Grammar School — O & A Levels** | 2011 – 2027
- O Levels: 9 A*/A grades. A Levels: in progress. Head Boy; led STEM, TECH & Astro-Physics societies.

CERTIFICATIONS

- CS50 (Harvard) · Google AI Essentials · IYPT General Management (2025) · Goethe A1 German (2022)

SKILLS & LANGUAGES

Technical: Python, JavaScript, Web Development, Data Analysis, AI, IT Infrastructure
Professional: Leadership, Team Management, Public Speaking, Problem Solving
Languages: English, Urdu, Punjabi (Native/Bilingual), German (Elementary)

ACHIEVEMENTS

- Selected for a fully funded 3-week language camp in Germany at Schule Birklehof.
- Winner of multiple Kangaroo math contests (IKMC); secured 1st place in Pakistan twice.
- Regular participant in ACSEC and other STEM competitions, winning various awards annually.
- 100% scholarship in A – Levels based on O – Levels academic result.
